| | New Model – Describe: | | |

(The Division is also working on expanding the delivery models for professional-technical training. If your district is interested in actively pursuing the development of a new or modified professional-technical program/cluster, please check "New Model" and describe.)

Please return by DECEMBER 15, 2009 so we can initiate technical assistance.

New program proposals will be due no later than February 15.

Mail or Fax to:

**Richard Ledington
Director of Research**
