

Diesel Equipment List

Students must have the following tools and supplies with them April 9th at the contest briefing.

Digital VOM (volt-ohm meter)

0-1" standard outside micrometer with vernier scale

Appropriate work shoes (call Cody Glazier at 208-884-2251 if you have questions about this)

Safety glasses (OSHA Z87)

Clean and Professional looking coveralls (No name or identification can be visible)

Resumé with cover letter collected first thing at 7:00 am on Friday!

Skills event will start on Friday morning at 7 a.m.

The contest will be held at Western States Equipment Co., 400 E. Overland Rd., Meridian Idaho, 83642. Please come into the truck shop main entrance and take your stairs to the right. The pre-contest meeting will be held in the large conference room at the top of the stairs.
